History, Sociology and Education

History of Education Society, History of Routledge 2007

ISBN : 9780415432450, 9781317833246

Originally published in 1971, this volume examines the relationship between the history and sociology of education. History does not stand in isolation, but rather contributes to, and exerts increasing influence on, other disciplines. The methods and concepts of history have been exerting increasing influence on other disciplines.
